**Comments:**

4/19/2000 - Letter sent closing and retiring file - based upon DOGM 3/28/2000 inspection. Release by the Division will not release operator from any obligations to the BLM.

3/28/2000 - Site inspection in response to a request for file closure. It was determined there was no sign of any mining related disturbances. It is recommended that this file be closed.

1/24/2000 - 1999 annual report; we planned to mine some rocks and applied for a permit, changed our minds. PLEASE CANCEL ORDER!

DOGM lists as "inspect" before we can close file.

11/16/99 - Letter sent accepting notice as complete. One check #14673 returned w/letter.
